WOOD SECURES \$380,000 FOR OFFICER CARDINIA NETBALL CLUB

Jason Wood, Liberal Candidate for La Trobe, today announced a Coalition Government would provide \$380,000 in funding to assist the Rythdale Officer Cardinia Netball Club develop a new netball pavilion.

Mr Wood joined members of the Rythdale Officer Cardinia Netball Club on Sunday to announce funding for the new facilities which will support their relocation.

"I'm delighted to announce the Coalition's \$380,000 contribution to the Rythdale Officer Cardinia Netball Club, which will allow the club to build a new Pavilion for their players," Mr Wood said.

"The Rythdale Officer Cardinia Netball Club is a great local club that encourages women to get active, and the Coalition recognises how important it is to support women's participation in sport.

"The new netball pavilion will make sure that the needs of current and future netball players are met for our growing community and that women's participation in local sport is sustained and increased in future.

Without funding from Jason Wood, the Rythdale Officer Cardinia Netball Club may have been without the facilities they need, given their home courts were relocated due to the Princess Highway upgrade works.

The project will be delivered through a funding partnership with Cardinia Shire Council which will contribute \$400,000 towards this project.

"I'm proud to support this project and look forward to seeing local women, their family and friends make use of the new Pavilion and courts."
