\$200,000 FOR FERNY CREEK SCOUT HALL UPGRADES

Jason Wood, Liberal Member for La Trobe, today announced that the 1st Ferny Creek Scout hall will receive a much needed financial boost of \$200,000 to upgrade their hall under a re-elected Turnbull Liberal Team.

“As a former Queen’s Scout myself, I understand the huge value that scouting facilities have for our community. They provide a space for young people to get together, form bonds and learn valuable life lessons in a safe environment” said Mr Wood.

“This commitment of \$200,000 for hall upgrades will deliver much-needed improvements to the hall, including the installation of a commercial grade kitchen, new shower facilities, replacement of roofs and a much needed facelift to the façade of the two buildings.”

Group Leader of the 1st Ferny Creek Scouts, Terry Lambert welcomed the funding commitment.

“This much needed upgrade to our facilities will mean the 1st Ferny Creek Scout Group can now host other Scout Groups when they visit the Dandenong Ranges, as well as community groups in the future” Terry Lambert said.

“Currently we have around 40 members, and now we will be able to continue serving the community and growing as a group for many years to come.”

The Ferny Creek Scout Hall also looks forward to being able to open up its more hospitable facilities in the future to neighbouring CFA volunteers who often are required to work overnight on code red days.
