\$500,000 FOR STAGE TWO OF ROC RESERVE PAVILLION

Jason Wood, Liberal Member for La Trobe today announced that a re-elected Turnbull Government will deliver \$500,000 funding for stage two of construction of the sports pavilion at Officer Recreation Reserve.

“A re-elected Turnbull Government will ensure that our sporting groups, including the Rythdale Officer Cardinia Football Netball Club (ROC), and indeed the entire local community, can enjoy a great local place to meet as well as have an even better facility where they can get more active, more often, together,” said Mr Wood.

“The new facility will be utilised by different community groups for social functions, presentation and award ceremonies, and will be made available for the wider community to hire for bookings.

“This \$500,000 is earmarked for the building of a much needed sports pavilion including a communal social function room at the Officer Recreation Reserve.

“It’s great that Cardinia Shire are on board with this, and together we’re providing a central point for the community to gather and participate in sports, special events and general gatherings” Jason Wood said.

The primary user of these new facilities is Rythdale Officer Cardinia Football Netball Club (ROC) who came about as an amalgamation of the Officer and Rythdale-Cardinia Football Clubs in 1977.

These projects will complete a vital resource for the local community mean that they can continue to be used by not only the ROC, but the entire community, well into the future.
